

*You, too, can be an Angel!
Become a supporting donor today!*

Starlighters II Theatre is an ALL VOLUNTEER organization that works tirelessly to keep excellent theatre alive and well in Eastern Iowa. In addition to a full mainstage season of shows each year, and a series of special events, Starlighters II offers education programs for youth and adults. Starlighters II, for all 35 years of its existence, has maintained a lending program where area schools, community organizations, and other area theatres can use our equipment, props, costumes, expertise, etc. at no cost. We believe it is our duty to support the performing arts in every way possible, so that they flourish in Eastern Iowa and enrich the lives of everyone. We feel that Starlighters II Theatre is one of the most valuable resources in Eastern Iowa. We hope you agree, and that you will support the efforts of Starlighters II by becoming one of our precious "Angels" today!

[Angels are listed in all show programs until the end of the calendar year. We will send you a renewal reminder at that time. We hope you will join us TODAY! Thank you.]
