This light and colorful Musical brings several Dr. Seuss characters to life as craziness strikes. Horton struggles to care for a small town of people living on a flower, a bird falls in love with an Elephant, JoJo gets lost, then found and more. The story is narrated by The Cat while he twists things up and really makes this story jump off the page. This show is about love, friendship, loyalty and of course MUSIC!

This show will be one of Starlighters Main Stage shows this year. Adults will be cast for the adult roles and will be rehearsing outside of the camp dates. The role of JoJo may be cast outside of camp depending on auditioners for the role. The nights leading up to opening night will be All Call with the full cast and campers.

Registration is first come, first served and everyone that signs up will be cast.

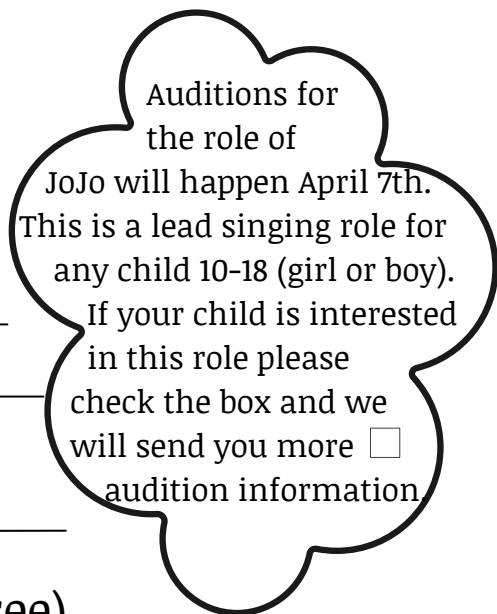

We're excited to have young actors head to the odd world of Seus as we create a theatrical experience that they will never forget. Visit us online at www.starlighters.org/juniorstarlighters
 Children must commit to attending all performances in order to participate in the Junior Starlighters Summer Camp.
